- **Creating Waves** – extends beyond the traditional paradigm of Eastern & Western music parameters. This ground breaking release features one of India’s leading instrumentalists Shubhendra Rao on the popular instrument Sitar and Saskia Rao-de Haas on her modified Cello. Shubhendra Rao is a true exemplar of his Guru, Maestro Ravi Shankar’s style and Saskia is a pioneer in the world of music, adapting the Western Cello to Indian Classical music. Presented on the Enhanced CD format, experience this true to life performance with stunning audio & video.

- As a landmark event, Rhyme Records proudly inaugurates the release of ‘Creating Waves’ – a celebrated release to feature the Sitar and the Cello, for the very first time on the Enhanced CD platform. This new release features one of India’s leading instrumentalists Shubhendra Rao, a true exemplar of his Guru Maestro Ravi Shankar, on the Sitar and Saskia Rao - de Haas, apioneer in the World of Music, modifying the Western Cello for Indian Classical Music. With solo compositions being performed on each of the respective instruments, Shubhendra and Saskia join together in a sublime duet in which they extend the boundaries of Indian Classical music taking the listener through a spectrum of emotions. The masterful dexterity of these fine performers and the joy in their music is captured faithfully through audio & video on this unsurpassed musical landscape.

Recorded, mixed and mastered exclusively using 24 bit/96kHz digital technology with 3-D surround sound processing, this exclusive release is a must in any music collection.

Rhyme Recordsoffering truly unique musical landscapes.
